

DIKSHA WAHI

Lighting Designer

*Master's in architecture, University of
Westminster, London UK,
B. Interior Design, Delhi, India*

Diksha Wahli completed her Master's in Architecture (Digital Media) from University of Westminster, London and graduated with a degree in Interior Design from Apeejay Institute of Design, New Delhi where she developed her eye for spatial quality and interest in light integration for function and aesthetics. Her previous work experience with monuments, residential, commercial and landscape projects have also given her a broad perspective in creating sense of place with lighting solutions.

With over 5 years of experience in the field of Lighting Design she had the opportunity to work specifically in hospitality lighting design locally as well as regionally. This also expanded her skill set in coordinating interior design, tendering to on-site realization of the design.
